ARTICLE 1 - GENERAL PURPOSE

1.01 The general purpose of this Agreement is to establish and maintain mutually satisfactory relations between the City and its employees, to provide a means for the prompt disposition of grievances, and to establish and maintain satisfactory working conditions, hours and wages for all employees who are subject to its provisions.

ARTICLE 2 - RECOGNITION

2.01 The City recognizes the Union as the sole collective bargaining agent for all employees of its Engineering and Works Division, save and except Section Heads and Foreman/woman, persons above the rank of Section Head and Foreman/woman, office staff, and students hired for the school vacation periods.

2.02 Wherever the male pronoun is used in the Agreement, it shall be deemed to include the female pronoun.

ARTICLE 3 - RELATIONSHIP

3.01 Neither the City or its agents nor the Union shall discriminate against employees.

3.02 No individual employee or group of employees shall undertake to represent the Union at meetings with the City without proper authorization of the Union. In order that this may be carried out, the Union will supply the City with the names of employees who are stewards or other officers of the Union. Similarly, the City shall supply the Union with a list of its supervisory personnel with whom the Union may be required to transact business.

3.03 There will be no solicitation for membership by the Union or by any of its members during an employee's working hours, nor will there

be any assembly of employees during such hours for the purpose of conducting meetings relating to Union business, without the consent of the City or except as hereinafter provided.

- 3.04 During the term of this Agreement, representatives of the City will meet every other month or more frequently if necessary by mutual agreement with the Union Committee to discuss any matters that may arise which are of interest or concern to either party. Each party shall notify the other party of the proposed agenda as far in advance of the meeting as possible, but not later than five (5) business days before the scheduled meeting and include the names of all attendees. Such meetings will be in addition to any meetings which are convened to discuss grievances. Attendance in Labour Management Committee Meetings shall be considered time worked. Additional representatives may attend upon mutual agreement.
- 3.05 The Union and the Corporation agree to adhere to the City's Corporate Policy on Respectful Workplace. It is understood that this policy does not replace the employee's right to grieve under [Article 8](#) and that an employee may submit a grievance if such employee believes they have been harassed as defined in the Policy.
- 3.06 Upon prior permission from the Supervisor, which permission will not be unreasonably withheld, union officers shall have the right to answer questions and/or discuss work related issues with union members or supervisors in order to resolve issues expeditiously.
- 3.07 The Union shall have the right to meet with all new employees on their initial hire in the bargaining unit, at a mutually agreeable time, for a period of thirty (30) minutes during working hours, in a private area, during their first month of employment in order to orient them as to their collective agreement's rights and obligations.

3.08 The City and Union agree that there shall be no discrimination exercised or practiced with respect to any employee concerning any of the provisions of the collective agreement including hiring, discipline and discharge procedures; transfer, lay off and recall provisions; training opportunities, and team work by reason of age, race, creed, colour, ancestry, national origin, religion, political affiliation or activity, sexual orientation, sex, marital or parental status, family membership, place of residence, handicap, nor by reason of their membership or activity in the Union or any other reason.

ARTICLE 4 - RESERVATION OF CITY RIGHTS

4.01 Nothing in this Agreement shall be interpreted as limiting the City in any way in the exercise of all of the rights, powers, authority and regular and customary functions of management to introduce technical improvements and methods of operation, and changes in the methods of operation, the extension, limitation, curtailment or cessation of operations, and the right to engage, lay off, promote, demote, classify and transfer employees with due regard to ability and seniority, and to reprimand, suspend or discharge employees for just cause.

4.02 The Union and the City agree that each, as a party to this agreement, will not act in a manner that is unreasonable, discriminatory, and arbitrary or in bad faith.

ARTICLE 5 - UNION REPRESENTATION

5.01 The Union shall have the right to appoint or otherwise select a committee of not more than four (4) employees to represent the Union in meetings with the City concerning the negotiation or administration of this Agreement. The City will recognize the

President of the Local Union, or their designated representative as a member of the Union Committee provided, however, that the total number of the committee shall not exceed five (5) employees.

5.02 The union shall further have the right to select a total of not more than eight (8) stewards including the Chief Steward, two (2) from Technical Services, four (4) from the Works Section , one (1) from Works and Fleet Services (*formerly Service Centre*) and one (1) from the Traffic Section. There shall also be a minimum of one (1) steward for any new yard where employees under the terms of this agreement regularly work.

5.03 The above sections of this Article shall not be interpreted so as to prevent an employee who is a steward from acting on the Union Committee.

5.04 An employee shall not be eligible to act as a member of the Union Committee, or as a steward, until after they have completed their probationary period of employment.

5.05 (a) The Union acknowledges that stewards, members of the Union Committee and such other Union officers that may be chosen from among the employees, have regular duties to perform as employees of the City, and that such persons will not leave their regular duties for the purpose of presenting or discussing grievances, or for the purpose of conducting any business on behalf of the Union without first obtaining the permission of their immediate Supervisor. Such permission will not be unreasonably withheld. On resuming their regular duties, such employees will report to their Supervisor and will, if requested, give any reasonable explanation for time spent away from work.

(b) In consideration of stewards, members of the Union

Committee and other Union officers who are employees, complying with the terms of (a) above, the City will pay such employees for time spent in handling grievances of employees or attending other meetings with representatives of the City during their regular hours of work.

5.06 The Corporation will recognize the National Representative at all meetings held with the Union should the Local Union choose to have them attend.

5.07 If the President of Local 66 or their designate is from a bargaining unit other than this one, the Union shall reimburse the Corporation for the time spent by the Local 66 President or their designate when representing members in meetings with management. If the Corporation requested such representation, such meeting will be considered time worked and paid by the Corporation. In all cases, leave for the President or designate to attend such meetings must be approved by their Director or designate, and such leave will not count towards Union Leave time described in [Article 14.02](#).

ARTICLE 6 - NO STRIKES OR LOCKOUTS

6.01 During the term of this Agreement, the Union will not cause or direct, nor will the employees conduct any strike, slowdown or other collective action against the City which will stop or interfere with work. The City will not cause or direct any lockout of its employees.

6.02 The terms "strike" and "lockout" shall be interpreted in accordance with the definitions set out in The Labour Relations Act, R.S.O., as amended.

ARTICLE 7 - CHECK-OFF OF UNION DUES

- 7.01 The City will deduct the regular monthly union dues from the pay issued to employees. Such deduction will be made once each pay period and amounts so deducted will, within ten (10) working days, be forwarded to CUPE National and/or designate.
- 7.02 Every employee covered by this Agreement who is, or becomes a member of the Union, shall remain a member during the term of this Agreement.
- 7.03 The Union will save the City harmless from any claims made by employees for amounts deducted from their pay in accordance with the terms of this Article.
- 7.04 (a) The Corporation shall provide, to the Union President, a list of all full time and temporary employees every six (6) months. This list will include the addresses and telephone numbers of the listed employees.
- (b) The Corporation shall inform the union when any new employee is hired and will supply the following information: starting date, section, position, end date of temporary assignment (temporary employees). Such information will be supplied to the union no later than ten (10) working days of their start date.
- 7.05 Supervisors shall not perform work normally performed by bargaining unit employees except for Training, Emergencies, Public Safety, and/or in cases where regular qualified bargaining unit employees are not available.
- 7.06 The Union agrees that dues will not be deducted from employees who are absent from work on a pregnancy or parental leave.

ARTICLE 8 - COMPLAINTS AND GRIEVANCES

8.01 For the purposes of this agreement, a grievance is defined as a difference arising between the Parties relating to the interpretation, application, administration or alleged violation of the collective agreement including any question as to whether a matter is arbitrable. Complaints and grievances shall be dealt with in the following manner. All grievances must be in writing (Step 1 excepted), and filed within ten (10) working days of the alleged grievance.

Step 1

If an employee has a complaint, they shall, with or without their steward, take the matter up orally with their Supervisor. The Supervisor or designate will give their answer to the complaint within seven (7) working days after it has been brought to their attention. For the purpose of this clause, Supervisor shall include Area Supervisor, Traffic Maintenance Supervisor, Fleet Services (*formerly Service Centre*) Supervisor and Technical Services Supervisor or designate.

Step 2

If the reply of the Supervisor or designate is not satisfactory, the complaint shall be stated in writing as a grievance and shall, within five (5) working days after the Supervisor has given their answer, be submitted by the employee and a steward to the Section Manager. Within three (3) working days after receipt, the Section Manager will commence discussion with the employee and their steward, and will give their reply, in writing, within a further seven (7) working days. For the purpose of this clause, Section Manager shall include Manager Works Maintenance & Operations, Manager Engineering Technical Services, Manager Traffic Engineering and Operations and Manager Fleet Services (*formerly Service Centre*).

Step 3

If the reply of the Section Manager or designate is not satisfactory, the grievance may, within five (5) working days, be referred to the Director of Engineering and Works or designate or the Director of Transportation and Engineering Planning or designate, and such other representative as may be chosen to represent the City, will meet with the Union Committee to discuss the grievance within seven (7) working days after it has been referred to this step. At this meeting, a full-time representative of the Union may be present if their presence is requested by either party. A written reply to the grievance will be given within seven (7) working days after the meeting has been held.

8.02 If a grievance is not settled to the satisfaction of either party to this Agreement by the procedure outlined above, then either such party may, within ten (10) working days, refer the grievance to arbitration in accordance with the provisions contained in [Article 11](#).

8.03 Any of the time allowances provided in this Article may be extended by mutual agreement between the City and the Union Committee. Such confirmation of the extension should be in writing.

8.04 (a) Group Grievance

Where a number of employees have the same grievance and each employee would be entitled to grieve separately, the Union may present a group grievance in writing. The grievance shall include the circumstances giving rise to the grievance, the remedy sought, the names of the known individuals affected at the time the grievance is filed, and should include the provisions of the Agreement generally to be relied upon. Such grievances shall be initiated at Step 1 and the Union shall assign a grievor to represent

the group. The union will reserve the right to add the names of other grievors as they become known until the grievance has been resolved.

(b) Policy Grievance

A policy grievance is one in which the issue has the potential to affect any member of the bargaining unit. All such grievances shall be filed at Step 2 of the grievance procedure as provided in this Article. The grievance shall be in writing and shall include the circumstances giving rise to the grievance and the remedy sought and should include the provisions of the agreement generally to be relied upon.

8.05 Mediation

At the mutual agreement of both parties the following mediation process will be used in an attempt to resolve any grievance that has proceeded through the steps of the Grievance Procedure outlined in Articles 8 and 10 and that has been referred by either party to Arbitration. The intent of this process is to provide a neutral third party who will attempt to resolve the grievance in a timely manner, to the satisfaction of both parties.

- (a) The parties will agree on a list of three (3) persons who will be asked to act, on a rotating basis, as a grievance mediator. The parties shall equally share the fees of the mediator.
- (b) The mediation session will be attended by maximum of three (3) representatives from the Union, including the CUPE National Representative plus the grievor(s) and such representation as may be chosen to represent Management. The persons attending should be familiar with the content of the grievance and have authority to enact a resolution.

- (c) Once the parties have agreed in writing to mediate a grievance the session shall commence within sixty (60) calendar days. If the appointed mediator is unavailable within 60 days of the appointment then the appointment will be given to the next mediator in turn. In addition, should any of the applicable parties be unavailable to attend within this sixty (60) day period, then they shall appoint a substitute to attend.
- (d) Provided the parties agree, there shall be no limit to the number of grievances submitted for a single session.
- (e) Any concessions, discussions or offers to settle the grievance, which occur during the mediation process, will not prejudice either party at arbitration should the matter not be resolved nor shall it be raised, discussed or relied upon at Arbitration.
- (f) The mediation session will normally be conducted at the workplace. This may be altered at the consent of both parties. Authorized attendance at the mediation session shall be without loss of regular pay or benefits.
- (g) Any resolution for grievances submitted to this mediation process shall be conditional on the agreement of both parties. Any matter unresolved at the end of the mediation session may continue to arbitration or be withdrawn.
- (h) The Mediator shall not act as the Arbitrator.

ARTICLE 9 - DISCHARGE AND DISCIPLINE CASES

9.01 If a permanent employee believes they have been unjustly suspended or discharged, the matter may be submitted as a written special grievance to the Director of Engineering and Works or the Director of Transportation and Engineering Planning, at the

Step 3 level, within five (5) working days of the suspension or discharge.

9.02 When a permanent employee is suspended or discharged, notification of such action shall be given to the Union and sent to the employee by registered mail within two (2) working days of the suspension or discharge. Should an extension to the time limit be required it will be granted upon request.

9.03 Disciplinary documentation contained in an employee's personnel file in the form of verbal and/or written warnings will not be relied upon by the Corporation for further disciplinary action, if more than 24 months have passed since the date of such warning and the employee received no further disciplinary notification in that 24 month period. The exception to this Article will be any discipline imposed due to harassment or incidents of violence in the workplace.

9.04 An employee shall have the right to have a steward present during the investigation meeting, which may result in discipline or discharge or in any meeting where discipline or discharge is being given. The Union shall have the right to assign the steward or union officer to represent the employee from their yard, unless the employee waives their right to Union representation. The selection of the steward shall not be exercised unreasonably (Form is attached).

ARTICLE 10 - CITY GRIEVANCES

10.01 If the City has a complaint with respect to the conduct of the Union or its officers, or that the Union has violated the provisions of the collective agreement, the City will submit such complaints to the Union within ten (10) working days from when the alleged grievance first came to the attention of the City. The Union will

meet with the City within five (5) working days to discuss the complaint and will give the City a written reply within five (5) working days of the meeting. If the complaint is not settled, it may be referred to arbitration.

ARTICLE 11 - ARBITRATION

11.01 Any arbitration proceedings shall be in accordance with The Labour Relations Act of the Province of Ontario.

11.02 An Arbitration Board shall not be authorized to render any decision inconsistent with the terms of the Agreement, nor shall the said Board be authorized to alter, add to or amend any of the clauses contained herein.

11.03 The decision of the arbitrator or the Board of Arbitration, including any decision as to whether the matter is arbitrable, shall be final and binding upon the parties and upon any employee affected by it. In the absence of a unanimous decision, the majority decision shall be accepted as the decision of the Board. In the event there is no majority decision, the decision of the Chairperson will be final.

ARTICLE 12 - SENIORITY

12.01 The following rules governing seniority are designed to give employees an equitable amount of job security based upon their qualifications to perform the work that is available and their seniority within the bargaining unit.

12.02 An employee will be considered on probation and will not have any seniority standing with the City until after they have completed six (6) months of work in a twelve (12) month period. Their seniority will, upon completion of the probationary period,

date back the six (6) months they have worked and the employee will be considered as a permanent employee.

12.03 Full-Time Employees

Separate seniority lists showing the names and seniority dates of all full time employees will be prepared by the City. These lists will be sent to the Union President and Secretary twice a year in the first week of January and first week of July. Such list(s) shall be considered as final and accurate unless representations, dated and signed, are received by the Director of Human Resources or designate within six (6) weeks from the date the list is received by the Union President and Secretary.

Temporary Employees

The Corporation will provide the Union with a list of all temporary employees who pay union dues. This listing will be provided to the Union twice a year in the first week of January and first week of July which reflects employees on staff as of June 30th and January 1st.

In the event temporary employees were hired on the same day into a permanent position, the temporary employee with the lowest employee number will be deemed to have higher seniority.

12.04 In cases of reduction of the work force due to lack of work, the skill, ability, qualifications and experience of employees will be the governing factors, and where these factors are relatively equal between employees, seniority shall govern. Seniority so exercised shall be on a bargaining unit wide basis.

12.05 Employees who have completed their probationary period, and who are laid off due to lack of work, will be recalled to work when

work becomes available, in the order of their seniority, provided such employees are qualified to perform the work that is available. Such recall will be by registered letter and email to the last address recorded with the City by the employee.

12.06 Permanent employees who have been laid off due to lack of work will retain their seniority and right of recall for the period of the employee's actual service up to a maximum of twelve (12) months.

12.07 Seniority previously accumulated will be lost whenever an employee:

- (a) quits or is discharged;
- (b) is absent for three (3) consecutive working days without a reasonable explanation;
- (c) is laid off for a period equal to the seniority they had at the time the layoff occurred but not exceeding twelve (12) consecutive months;
- (d) fails to report for work at the expiration of any leave of absence granted by the City without a reasonable explanation.
- (e) fails to return to work within seven (7) working days after notice of recall has been sent out in accordance with 12.05 above. Upon written request from the employee, an extension of up to twenty (20) days may be granted. The City will not unreasonably deny such a request.
- (f) is absent in excess of twenty-four (24) months due to accident or illness, and becomes totally and permanently disabled. This provision applies to disabilities beginning after 12th

February 1986, and will be subject to the provisions of the Employment Standards Act;

- (g) fails to report their absence from duties on three (3) separate occasions within a twelve (12) month period without reasonable explanation

12.08 If a permanent employee is transferred to a position outside of the bargaining unit, they shall retain their seniority within the bargaining unit for a period of up to six (6) months.

During this six (6) month period the employee shall pay union dues in accordance with [Article 7](#) and shall only be covered under Articles [8](#) and [9](#) of the Collective Agreement.

The permanent employee shall have the right to return to their former permanent position in the bargaining unit at any time during the six (6) month period, thereafter the employee's bargaining unit seniority will cease.

12.09 No permanent full time CUPE Local 66 employee shall be laid off while a temporary employee is employed in a position that the full time employee is qualified to perform.

ARTICLE 13 - POSTING OF JOB VACANCIES AND BULLETIN BOARD

13.01 (a) Job Postings

When a vacancy occurs or a new position is created, either inside or outside of the bargaining unit, such openings will be posted electronically. These openings will be posted for a period of five (5) full and clear working days, whereby an employee may apply for the position. All positions will be posted on the City's electronic job board and applicants must apply electronically.

Such postings shall contain the following:

Position, department, duties, qualifications and salary. No outside advertising shall be implemented until all internal applicants have been processed, and should none of these be accepted, the City will fill the position at its discretion.

Such qualifications shall not be established in an arbitrary or discriminatory manner.

(b) Filling Job Vacancies

The senior employee applying for the position as posted who is qualified and has the most experience at the time will be given the job. If none of the applicants has the necessary qualifications and experience, the City will fill the position at its discretion. The City will consider the applications received on the basis of the appropriate section first and then the other sections before any outsiders are hired. Sections here shall be defined as being Works Operations, Technical Services, Fleet Services (*formerly Service Centre*) and Traffic.

(c) The Union agrees that the filling of vacancies outside the bargaining unit, with respect to part (a) and (b) of this Article, will not be subject to the grievance procedure.

(d) Any bargaining unit member successful in filling a vacancy will be subject to a three (3) month trial period. During this period, the employee may elect to return to their previous position or the City may elect to return the said employee to their former position if their performance is not satisfactory to the City.

13.02 A Union Bulletin Board will be provided by the City for posting Union Notices. All notices posted thereon shall be subject to the approval of the Director of Engineering and Works or the Director of Transportation and Engineering Planning or their appointed designate.

ARTICLE 14 - LEAVE OF ABSENCE

14.01 (a) An employee will be allowed five (5) days off with pay, in the event of a death of their father, mother, spouse or child to make arrangements for and to attend the funeral. One extra day may be allowed with pay by the Department Head for travelling purposes to and from the funeral.

(b) An employee will be allowed three (3) days off with pay in the event of a death of their, sister, brother, mother-in-law or father-in-law, to make arrangements for and to attend the funeral. One extra day may be allowed with pay by the Department Head for travelling purposes to and from the funeral.

(c) An employee will be allowed one (1) day off with pay in the event of the death of their son-in-law, their daughter-in-law, sister-in-law, brother-in-law, their grandparent or a grandchild, to make arrangements for and to attend the funeral.

(d) The City may require proof of death and in any circumstance, only regular working time missed shall be paid for. Additional leave of absence, without pay, will be granted upon approval by the Department Head.

14.02 Leave of absence with pay and without loss of seniority will be granted to employees to attend functions of the Union, provided

that such leave does not exceed five (5) working days, and provided there is at least one (1) week's notice of such leave and the approval of the Director of Engineering, or their appointed designate, has been granted. This leave shall apply to a maximum of forty (40) regular working days leave per calendar year. In 2006 an additional five (5) days will be granted, upon request, where the wages are billed to the Union.

- 14.03 a) In the event that a full-time permanent employee is called for jury duty or as a witness in any court, except as a witness on their own behalf, the Corporation shall pay the employee their regular pay, less any payment made by the court for lost wages. Payment for each day the employee is required to be absent from work, without loss of seniority, will be made provided that they:
- i) notify the Corporation immediately upon notification that they will be required to attend on jury or witness duty;
 - ii) present the court subpoena/summons to the Corporation requiring such attendance;
 - iii) present proof of payment received and promptly repays the amount (other than expenses paid to them) which they receive for such attendance; and
 - iv) when known in advance report to work at the beginning of the day when not required at court.
 - v) contact the Supervisor or designate for instruction whenever court proceedings adjourn early.
- b) Any compensation from the court for travel, meals or other expenses remains the employee's.

- c) Time spent by a permanent full-time employee required to serve as a court witness on any matter arising out of their employment shall be considered as time worked at the appropriate rate of pay.

14.04 Any request for a leave of absence of ten (10) days or less duration must be directed to the Supervisor or Manager of the employee's department. Requests for more than ten (10) days must be directed to the Director of Engineering and Works, or the Director of Transportation and Engineering Planning or their appointed designate, Employees on leave of absence in excess of eleven (11) working days will repay the City for all benefits paid on the employee's behalf, on their return. No sick leave shall be accumulated in any calendar month where an employee is off on a leave of absence in excess of eleven (11) working days.

14.05 a) Employees who require a leave of absence for pregnancy and parental leave purposes, as defined under the Employment Standards Act, shall be governed by such Act.

- b) Seniority shall be retained and accumulated during the above noted leave(s). The Corporation shall continue to pay its share of employment benefits during the above noted pregnancy and/or parental leave(s) up to twelve (12) calendar months.

14.06 WSIB Payments to Permanent Full-time Employees

In the event a permanent full time employee is unable to work because of a work related accident and where the Corporation is not objecting a claim, which decision shall be communicated to the Union, the Corporation will continue the permanent, full-time employee's wages as follows:

1. WSIB earnings will equal payments made by the WSIB
2. WSIB payments will be granted if the employee has access to sufficient STD or sick leave credits to grant to that limit, or three (3) months, whichever is less
3. In the event the claim is denied by WSIB or the City is objecting to the claim:
 - a) the employee may choose repayment through the STD plan if sufficient medical evidence is provided to satisfy the STD plan requirements
 - b) if sufficient medical documentation is not available, repayment of wages will be from the employee's vacation or lieu bank.
 - c) repayment of wages must be made within the same calendar year.

The City of Mississauga commits that it will not appeal a WSIB claim on an unfounded basis. To that end, should the City appeal a WSIB claim, the City will provide the Union with a copy of the appeal along with the City's rationale for the appeal.

ARTICLE 15 - LEAVE FOR ILLNESS

- 15.01 A plan of sick leave credit gratuities, hereinafter called sick leave credits, for all permanent employees of the City is to be established as hereinafter set out.
- 15.02 A "permanent employee" shall be defined as an employee who has completed six (6) months' continuous service with the City and has been accepted to a full-time position with the City.

15.03 Permanent employees shall be allowed to accumulate sick leave credits on the following basis:

(a) Sick leave credits shall be accumulated at the rate of one and one-half (1 ½) days per calendar month of work unless the employee is off ill and their wages continued by a Municipal disability plan of insurance, or is off due to illness or injury and has exhausted their sick leave credits.

15.04 The normal work days an employee is absent on account of illness shall be deducted from the sick leave credits they have accumulated with the City and in accordance with [Article 15.07](#).

15.05 Absence on account of illness will be deducted on an hour for hour basis.

15.06 The City's Disability Income Program policy, which allows the use of incidental days for personal medical appointments, will be extended to permanent, full-time employees.

15.07 Absence from employment due to illness in excess of three (3) working days shall require a doctor's certificate which satisfies the eligibility for Short Term Disability.

The City may request a certificate from the attending physician for any days where it believes there are reasonable and probable grounds.

15.08 Pregnancy leave will not be considered sickness for the purpose of this Article.

15.09 (a) Permanent staff, upon retirement or upon termination of employment after a period of seven (7) continuous years of service with the City of Mississauga, its predecessors or their

Boards or Commissions, shall be paid an amount equal to their salary, wages or remuneration for one-half (½) the number of days standing to their credit under the provisions of 15.03(a), provided such amount does not exceed the amount of one-half year's earnings at the rate received by the employee immediately prior to such termination of employment.

- (b) In the event of the death of an employee prior to normal retirement, a payment similar to that set out in 15.09(a) above shall be paid to the employee's estate.

The aforesaid provisions shall be deemed to be effective January 1, 1977.

- 15.10 When an employee hired on or before August 26, 1982 and covered by the provisions of Articles 15.01 to 15.09 exhausts their bank of sick leave credits, they may apply to receive Short-Term Disability benefits from the City. In order to receive such benefits, the employee must provide satisfactory medical documentation to the City, confirming their inability to perform work, due to illness or injury. The benefits payable under this program will be equal to seventy-five percent (75%) of the employee's normal weekly wage, up to a maximum of the Employment Insurance Commission's current Sick Benefit weekly maximum amount.

Benefits will be payable after no more than a fourteen (14) day unpaid waiting period and will not exceed fifteen (15) weeks in total. When an employee is receiving benefits under this plan, they shall not accumulate further sick leave credits.

- 15.11 Any member of CUPE, Local 66 hired after 26 August 1982, will be covered by the City's Disability Income Program and not the foregoing Sick Leave Credit Plan. This Programme is fully paid for by the City and operates as follows:

Length of Service	100% Pay	75% Pay
Less than 3 months	0 weeks	0 weeks
3 months but less than 1 year	0 weeks	24 weeks
1 year but less than 2 years	3 weeks	21 weeks
2 years but less than 3 years	6 weeks	18 weeks

All banked overtime must be reduced to not more than eighty (80) hours in total by December 1st of each year.

- 25.18 Administration of the Call Out List

1. An employee absent from work due to illness will be removed from the call out list until 7:30 am of the day the employee returns to work.
2. An employee on vacation or lieu time may elect to either remain on or be removed from the call out list for the entire period of absence as indicated on the request for time off form. Employees requesting to be removed from the call out list during vacation and lieu time will be off the call out list until 7:30 am of the day the employee returns to work. Employees requesting to remain on the call out list during vacation and lieu time will be called out for overtime outside normal working hours as required.

Employees verbally requesting vacation or lieu time over the telephone prior to the start of the normal work day will remain on the call out list.

3. With regard to pre-arranged (pre-scheduled) overtime, every attempt will be made to give as much advance warning as possible, and the call out list will be adhered to in accordance with Article 25. The call out list applicable to the closest normal working day (i.e. Monday to Friday), prior to the pre-arranged overtime will be used.
4. When overtime work is required and that decision is made prior to the Works or Traffic crews returning to the yard, the overtime work will generally be offered to the crew on duty which is presently performing the works. If any of the crew requested to work overtime declines to do so, then the call out list will be used. If the Works or Traffic crews have returned to the yard and an overtime job comes up prior to punch out, the call out list will apply but the three hour minimum overtime will not be applicable. In this case only

those employees in the yard will be asked prior to calling in those employees on the call out list which are on vacation or lieu time. Where employees have left the yard (i.e. punched out) and are then called out for overtime, the call out list will apply and the three hour minimum overtime payment will be applicable.

5. Any employee on a modified work program with restrictions, LTD, or WSIB, will be removed from the call out list until such time as the appropriate medical documentation has been received to the effect that the employee may return to his normal duties.
6. When overtime work becomes available after the crews have left the yard, and if a particular call out list for a particular yard has been exhausted, then another call out list will be used for another yard. When overtime work becomes available and the crews have returned to the yard but have not left the yard and all personnel on the call out list have declined, then another call out list will be used for another yard before any personnel on vacation or lieu time and on the call out list will be called.
7. With regard to the procedure of calling out employees, the procedure issued on November 6, 1991, will be adhered to at all times.
8. For the purposes of a call out list, when the work requires a W.P.III the City will exhaust the list of available and willing employees who hold a W.P.III base position before offering the work to other classifications. The City shall endeavour to distribute overtime work as equally as practical.
9. During the winter maintenance season, employees contacted in order of the call out list will be requested to come in to

work in the order that calls from employees are answered until the required number of employees for overtime has been achieved.
